Journal/Notes:

This image shows a full-page view of a blank sheet of white paper designed for writing. The page is ruled with horizontal blue lines. The top portion of the page consists of approximately 20 solid horizontal lines. The bottom portion, starting from about three-quarters of the way down, features a set of three horizontal lines: a solid top line, a dashed middle line, and a solid bottom line. This pattern repeats for several rows at the bottom of the page, providing a guide for letter height and placement. The entire page is otherwise empty, with no text or other markings.

Journal/Notes:

This image shows a blank sheet of white paper designed for writing or drawing. It features horizontal ruling lines. The top portion of the page is ruled with solid light blue lines, while the bottom portion uses dashed light blue lines. On the far right side, there is a decorative graphic consisting of several parallel, wavy blue lines that curve upwards and then downwards, resembling a stylized wave or a flourish.

This image shows a blank sheet of white paper designed for writing or drawing. It features horizontal ruling lines. The top portion of the page is ruled with solid light blue lines, while the bottom portion uses dashed light blue lines. On the right side, there is a decorative element consisting of several parallel, wavy blue lines that curve upwards towards the top right corner. The overall layout is clean and minimalist.
