Welcome

This journal was created as a companion to the Faithful Surrender Planner. Together, they provide one place to plan your days and another to slow down, listen carefully to God's Word, and record what He is teaching you.

Each dated entry follows the same chronological Bible-reading schedule found in the planner. The two-page spread gives you room to observe the passage, reflect on what it reveals about God, consider how its truth applies to your life, and respond in prayer.

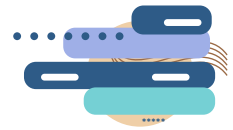

There is no perfect way to journal. Some days you may write several paragraphs; other days you may record only one truth or a short prayer. The purpose is not to fill every line, but to meet faithfully with the Lord and allow His Word to shape your heart and life.

Read slowly. Reflect honestly. Respond faithfully.

May this journal help you see God's faithfulness throughout His Word and encourage you to live each day in faithful surrender to Him.

Using Your Journal

1

Pray

Ask the Lord to help you understand His Word and receive its truth with a willing heart.

2

Read

Read the assigned passage carefully. Notice repeated ideas, important events, commands, promises, and details that stand out.

3

Reflect

Consider what the passage reveals about God, His character, His purposes, and His work throughout redemption.

4

Respond

Record how the truth applies to your life. End by turning what you have read into prayer and faithful action.

The goal is not simply to finish the reading, but to know God more deeply.
